Bender Enterprises Inc. Presents

Street Racing and Sport Bikes

Intensive 1-day workshops

Workshop Information:

- ~ Latest statistics and trends
- ~ Insurance Fraud & Auto Theft Scams
- ~ STOP the Thefts, Fraud & Deaths
- ~ Illegal Street Racing, Show, Drift and Drag Trends
- ~ Identifying Stolen Vehicles and their Components
- ~ Illegal Gray Market Cars & JDM
- ~ Video of Suspects Detailing their various crimes and M.O.s
- ~ Internet Insights and Issues
- ~ Sport Bike Investigations
- ~ Last hour of the workshop is for Law Enforcement Only; Detailing In-depth Vehicle and Component Identification and Proactive Operations.

~ Theft, Fraud, Deaths and Injuries are much higher in sport compacts and sport bikes than any other classes of vehicles.

~ Insurance companies are paying out millions of dollars in fraudulent claims.

~ Officers and Investigators can save lives and prevent injuries by learning what to look for in these theft and fraud vehicles and taking them off the streets before something happens.

Current and upcoming trends and investigative techniques are identified, explained and solutions are presented. When these techniques are implemented they will assist in; recovering stolen vehicles and property, locating chop shops and preventing deaths and injuries involving modified vehicles.

Testimonial

"Mike Bender's presentation concerning the direct link between Street Racing and Auto Crimes is without the doubt the most comprehensive available world wide.

Mike's direct knowledge and enthusiasm is very evident in the first minutes of his presentation.

As a long time auto crimes investigator and a drag racer I can attest that Mike's program is filled with current and accurate information.

This class is a must for any street officer, auto theft investigator or insurance investigator."
